Wilmington, DE – The Delaware Charter Schools Network (DCSN) is proud to announce that Monica Melendez has joined the organization as the Director of Events and Programming, bringing with her more than a decade of experience in program management, data operations, and organizational leadership.

Monica joins DCSN after serving in multiple leadership roles at CSC, where she led data quality and marketing initiatives and co-founded the company's first employee resource group focused on diversity and belonging. Her career has been shaped by a passion for changing the way people think about how they interact with each other and the world around them.

"We are thrilled to welcome Monica to our team," said Kendall Massett, Executive Director of DCSN. "Her expertise in designing and executing strategic programs, along with her deep commitment to inclusive leadership, will be instrumental as we expand our statewide events, professional development offerings, and community engagement efforts."

Monica is excited to join the DCSN team, "I'm looking forward to work with fellow Leadership Delaware alumna, Kendall Massett (Class 2010), and help the network strengthen the relationships between our Charter Schools and our Delaware community."

In her new role, Monica will oversee the planning and implementation of major events and programs that bring together school leaders, educators, families, and students from across the state's 24 charter schools.
